Dear Mr. Johnson:

*Re: Importance of Mechanical Insulation, Inspections and Change Needed in the Building Code on Mechanical Insulation Application*

The City Council at its regular meeting of Monday, June 13, 2011, unanimously endorsed the following resolution:

**“THAT** Council support in principle the development of requirements for insulation as outlined in Mr. Loftus’ presentation in City operations, tendering and procurement;

**AND THAT** this presentation be referred to staff for the development of recommendations regarding City operations and tendering;

**AND THAT** this presentation be forwarded to the Province for its consideration in the development of building code changes.”

On behalf of the Mayor and Council, please extend our thanks to Mr. Lee Loftus, Business Manager, for his presentation with respect to the *Mechanical Insulation to Increase Building Efficiency*. The information and his willingness to participate in the discussion afterwards was sincerely appreciated.

Yours truly,

Robyn G. Anderson  
City Clerk
